

COVID-19 MANAGEMENT

ON CTS WORK SITES

ALL personnel who enter this work site must complete a COVID-19 screening questionnaire daily.

Anyone who does not wish to complete a questionnaire is **NOT PERMITTED** to remain at the site.

If you answer YES to any of these questions, **DO NOT ENTER THE SITE**, and report the circumstances immediately to your supervisor.

DIGITAL QUESTIONNAIRE ACCESS

1 Open your cell phone camera and point it at the **QR code** to the right (the large square symbol).

2 Your camera will recognize the code and open a browser with the questionnaire. You may need to hit "accept" when prompted.

3 Fill in the questionnaire.

A PHYSICAL COPY OF THE QUESTIONNAIRE IS AVAILABLE, ASK YOUR SUPERVISOR.
